Learn the mother-tongue
of our Mother, the Church!

Learn to understand and appreciate the Extraordinary Form of the Mass
through an enjoyable pilgrimage into the Latin language.
You will discover the theological depth of the prayers, the rich meaning of
the ceremonies, and the purpose of the greater silence contained in this
timeless treasure of our Catholic heritage.

Each session consists of three parts:

1. An etymological explanation of the sacred text for immediate comprehension
2. A guided tour covering some aspect of the traditional Mass
3. An introduction to Latin grammar

Classes are free, but a few books are required.
